

2 October 2024

Regarding “Sticky Wages on the Layoff Margin,” the authors received financial support for this research from the Booth School of Business, the Becker Friedman Institute at the University of Chicago, and the Federal Reserve Bank of Cleveland. Other than these sources, I have received no other financial support for this research.

The survey effort described in this study (Entry Survey and Follow-Up Surveys) received IRB approval at the University of Chicago. The IRB Protocol Title and Protocol Number are, respectively, “Survey of Unemployment Insurance Claimants in the State of Illinois” and IRB 18-0871.
