This is prepared in the context of my forthcoming Journal of Economic Literature article *How the World Became Rich* by Mark Koyama and Jared Rubin and *Slouching Towards Utopia*, by J. Bradford DeLong: A Review Essay.

I have no conflicts of interest to report. I was Editor of the Journal of Economic Literature until summer 2022 and am currently General Editor of the Elsevier Handbooks in Economic Series, but neither is germane to the essay.

Sincerely,

Steven N. Durlauf
