

Disclosure statement

I am a co-author of the paper “Search Costs and Context Effects”, and declare that

1. We received financial support for this project from a Methusalem grant of KU Leuven, from FWO grant G0C8821N, from University of Innsbruck, from the Austrian Science Fund (FWF, SFB F63), and from the German Research Foundation (DFG project 462020252).
2. I did not receive any financial support from an interested party for writing this paper. The same applies to my close relatives.
3. I do not hold any paid or unpaid position in any relevant organization. The same applies to my close relatives.
4. No party had the right to review this paper prior to its circulation.
5. Before starting the experiment, we registered it on aspredicted.org (registry number #68519) and obtained IRB approval from the Board for Ethical Questions in Science of the University of Innsbruck.
