Paper Title: Search Costs and Context Effects

Resubmitted to *American Economic Journal: Microeconomics*

### **Disclosure Statement**

I declare that I have no relevant or material interests that relate to the research described in this paper. The same applies to my close relatives.

Further, I did not receive any financial support from an interested party for writing this paper. The same applies to my close relatives.

Before starting the experiment, we registered it on [aspredicted.org](https://aspredicted.org) (registry number #68519) and obtained IRB approval from the Board for Ethical Questions in Science of the University of Innsbruck.

We received financial support from a Methusalem grant of KU Leuven, from FWO grant G0C8821N, from the University of Innsbruck, from the Austrian Science Fund (FWF, SFB F63), and from the German Research Foundation (DFG project 462020252) for this project.
