

Disclosure Statement

Author: David Wittenburg

Manuscript: "Explaining Variation in Child SSI Receipt: The Role of Medical CDRs"

Journal: *AEA Papers and Proceedings*

- 1) We received no financial support for this research.
- 2) I received no other significant financial support from an interested party.
- 3) I have no disclosures for any paid or unpaid positions.
- 4) I have no disclosures for close relatives or partners to make.
- 5) The Social Security Administration (SSA) had the right to review this paper for factual accuracy and data non-disclosure prior to its circulation.

IRB approval was not obtained for the project as it uses administrative data from the Social Security Administration and other publicly available observational data.
