I, **Marzena Rostek**, declare that I have no relevant or material financial interests that relate to the research described in the paper "Imperfect Competition in Financial Markets: Recent Developments."

I acknowledge the financial support from the NSF Grants SES-1357758 and SES-1851857.

An IRB approval was not necessary: no human subjects were involved in this research.

A handwritten signature in black ink, appearing to read "Marzena Rostek", is centered within a light gray rectangular box.
