

Employment Preferences of Favela Residents

Mayara Felix

Disclosure Statement

I declare that I have no relevant or material financial interests that relate to the research described in this paper. No party had the right to review the paper prior to its circulation. This research was supported by the Economic Growth Center (EGC) Incubation Fund (\$15,000) and the EGC Faculty Research Incubation Grant (\$8,000).

This study involves the collection of original survey data that includes a discrete choice experiment implemented in Qualtrics. Human subjects review was conducted at two institutions: Yale University (United States) and Plataforma Brasil (Federal Ethics Board in Brazil). **All institutions granted an exemption from IRB approval.**
