*RE: Does Lowering Entry Costs to Economics for Underrepresented Students Affect Outcomes?
Preliminary Experimental Evidence*

To Whom It May Concern:

Neither I nor any of my close relatives have received financial or in-kind support for the research conducted in this paper, nor have we received funding or in-kind support from any “interested” parties. However, please note that as part of a diversified portfolio, I hold more than \$10,000 in stocks and bonds of various companies.

I currently serve as the Founding Director of the University of Chicago’s Institute for Climate and Sustainable Growth. I also direct the Energy Policy Institute at the University of Chicago and the Environment and Energy Lab at the University of Chicago Urban Labs. In addition, I am the co-founder of Climate Vault, a non-profit organization, and co-founder of Climate Vault Solutions, a for-profit company.

No other parties have had the right to review the paper prior to its circulation.

Sincerely,
