SUBJECT: DISCLOSURE STATEMENT

I declare that I have no relevant or material financial interests that relate to the research described in manuscript “Designing Dynamic Reassignment Mechanisms: Evidence from GP Allocation.”

*IRB Approval*

This paper is based on analysis of data derived from Norwegian administrative registers. The data’s use for research has been approved by the Research Department at Statistics Norway (SSB), as well as by the Norwegian Regional Committees for Medical and Health Research Ethics (REK).

A handwritten signature in black ink, appearing to read 'Ingrid Huitfeldt', with a stylized flourish at the end.
