

## **Disclosure statement for Eric Danan**

I obtained no direct financial support for the research on the article “Robust Social Decisions” except for regular research budgets allocated by CNRS\*, Université de Cergy-Pontoise\*\* and the French National Research Agency (ANR)\*\*\* to researchers affiliated with CNRS, Université de Cergy-Pontoise, and the Labex MME-DII respectively.

I obtained no significant financial support from any interested party.

None of my close relatives or partners received remuneration from any interested parties.

No other party had the right to review the paper prior to its circulation.

The author declares that he has no relevant or material financial interests that relate to the research described in this paper.
