Manuscript Title: Promoting Undergraduate Research in Economics

Authors: Gail M. Hoyt and KimMarie McGoldrick

Disclosure statement for KimMarie McGoldrick:

There is no traditionally defined data used in this paper. All examples used in this study were collected from an email survey and through phone conversations with appropriate personnel at surveyed institutions. IRB approval was not sought for the collection of examples as all information was programmatic and not associated with specific individuals. The authors have no relevant or material financial or in-kind interests that relate to the research described in this paper.

Author:

A handwritten signature in black ink, appearing to read "KimMarie McGoldrick".

Date: 1/10/2017
