RE: Disclosure Statement on Submission

Dear Editors,

I hereby declare that,

I have no financial interest or any conflict of interest stemming from my participation as coauthor in the paper titled "Incomplete Disclosure: Evidence of Signaling and Countersignaling".

The main data used in this paper come from the inspection database that the local health department of Maricopa, Arizona posts online. Neither I nor my close relatives/partners hold any paid or non paid position in Maricopa government.

I was paid as a research assistant at early stages of this project.

Best Regards,

Ben Zou
