

July 25, 2017

The author Harrison Fell declares that I have no relevant or material financial interests that relate to the research described in the paper “The Fall of Coal: Joint Impacts of Fuel Prices and Renewables on Generation and Emissions” accepted for publication in *American Economic Journal: Economic Policy*.

Sincerely,

A handwritten signature in black ink, appearing to read "Harrison Fell". The signature is fluid and cursive, with the first name "Harrison" written in a more compact, stylized manner and the last name "Fell" written more fully.

Harrison Fell

Associate Professor
North Carolina State University
Department of Agricultural and Resource Economics
