RE: "Changing how literacy is taught: Evidence on Synthetic Phonics"

Professor Stephen Machin has no relevant or material financial interests that relate to the research described in this paper.

Professor Machin is grateful to the Economic and Social Research Council for supporting this work. In addition, Martina Viarengo gratefully acknowledges the support received from the British Academy and the Royal Society in the framework of the Newton International Fellowship.

Yours faithfully

Professor Stephen Machin, Director  
Centre for Economic Performance  
London School of Economics
