Disclosure statement

Paper title: "Economic Drivers of Populism"

Author: Sergei Guriev

This paper was not supported by any external donors.

In the last three years, Sergei Guriev has received compensation from several sources:

- as an academic, from a Sciences Po, Paris, a university
- as an executive of an international organization, as a Chief Economist of the European Bank for Reconstruction and Development.

I believe that these entities have not exerted any influence on our research.

Spouses

There are no potential conflicts of interests related to Sergei Guriev's spouse.

Sergei Guriev, Paris
