

Daniele Coen-Pirani, University of Pittsburgh
Disclosure statement (12/01/2016)

I did not benefit from any financial support from external grants in writing the paper “The Political Economy of Underfunded Municipal Pension Plans.” I hold no paid or unpaid positions which are of relevance to this work (other than my position as professor at the University of Pittsburgh). I also declare that I have no relevant or material financial interests that relate to the research described in this paper. This disclosure also applies to my close relatives.
