

Disclosure Statement – Ruiqing Cao

Measuring Social Connectedness

During part of this research project, I was a paid, full-time intern to Facebook; during another part of this research project, I was a paid, part-time academic research contractor to Facebook, which allowed me to access the data used in this project.

Facebook reviewed the results of the study prior to their dissemination to ensure that the confidentiality of the data was not unintentionally compromised.

There are no further relevant disclosures.
