

# AEA Committee on Government Relations'

## ANNOUNCEMENTS

FEBRUARY 3, 2014

*The Committee on Government Relations is a subcommittee of the American Economic Association charged with representing the interests of the economics profession in Washington DC and other locations around the country without taking a position on questions of economic policy or on any partisan matter.*

### NICHD Program Officer Position

If you might be interested in managing programs in population economics at the Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD) please see the announcement ([NICHD Program Officer position.pdf](#)). Please also forward this email to any economist or social scientist with economics training who you think might be interested in this position.

There is some urgency here: the position has not even been announced yet, but it will close on February 23rd!

The AEA's Committee on Government Relations is disseminating this job announcement because NICHD is a source of funding for important economic research and data collections.

Feel free to contact me or Rebecca Clark, the NICHD Population Dynamics Branch Chief ([rclark@mail.nih.gov](mailto:rclark@mail.nih.gov)) if you have further questions.

Sincerely,

Dan Newlon

---

Daniel H. Newlon  
Director, Government Relations  
American Economic Association  
1701 K Street, Suite 1150  
Washington, DC 20006
