PART 2: FACULTY

This survey distinguishes tenure track faculty from non-tenure track faculty.

*For the purposes of this survey, **Tenure track faculty** are those who hold voting rights in your department and carry titles such as Assistant Professor, Associate Professor or Full Professor.*

Instructional, Non-tenure track faculty refers to teaching faculty who hold multi-year contracts and carry titles such as Professor of the Practice; or Adjunct, Instructor, Lecturer or Visiting Professor. This should also include any tenure track faculty whose primary, voting appointment is in a different department, but who teach economics.

This is for the 2019-20 academic year. Indicate the numbers of faculty in each position who identify as Female, Male, or Other (non-binary, agender, something else):
