Appendix – List of Relevant Data Sources

Data on Conflict Incidence and Fatalities

High quality annual data on conflict incidence, onsets and fatalities is provided by the *"UCDP/PRIO Armed Conflict Dataset"* and *"UCDP Battle-Related Deaths Dataset"* which can both be accessed on https://ucdp.uu.se/ (see UCDP, 2021). An alternative data source at the country-year level is provided by the *"Correlates of War (COW) War Data"* available on https://correlatesofwar.org/data-sets (see Sarkees and Wayman, 2010)*.*

There are also various sources providing disaggregate conflict events data at the precise longitude-latitude and day level. These include *"UCDP Georeferenced Event Dataset (GED)"* available on https://ucdp.uu.se/ (see UCDP, 2021), "*Armed Conflict Location and Event Data (ACLED)"* available on acleddata.com (see Raleigh et al., 2010), *"Social Conflict Analysis Database (SCAD)"* available on https://www.strausscenter.org/ccaps-research-areas/social-conflict/database/ (see Salehyan et al., 2012), and the *"GDELT Project"* available on https://www.gdeltproject.org/ (see Leetaru and Schrodt, 2013).

Data on Mediation

Data on mediation is included e.g. in the *"Civil Wars Mediation (CWM)"* dataset available under https://www.canterbury.ac.nz/arts/research/bercovitch-data-centre/ (see DeRouen et al., 2011). See also the dataset *on "Diplomatic interventions and civil war"* available under https://dataverse.harvard.edu/dataset.xhtml?persistentId=doi:10.7910/DVN/24822 (see Regan et al., 2009).

Data on Peacekeeping

Country-year level data on peacekeeping operations is provided e.g. by the *"United Nations Peacekeeping Personnel Data Project"* available under https://kathmanundata.weebly.com/ (see Kathman, 2013).

There exist also data at the subnational level. In particular, the *"Geocoded Peacekeeping Operations (Geo-PKO)"* dataset is available on https://www.pcr.uu.se/data/geo-pko/ (see Cil et al., 2020).

Data on the Content of Peace Agreements

There exist several datasets on the content of peace agreements, such as e.g. the *"Peace Accords Matrix (PAM)"* on https://peaceaccords.nd.edu/ (see Joshi et al., 2015), the *"UCDP Peace Agreement Dataset"* on https://ucdp.uu.se/ (see Högbladh, 2012), or the *"Peace Agreements Database (PA-X)"* available on www.peaceagreements.org (see Bell et al., 2021).
