To Whom It May Concern:

This is my disclosure statement for "Heterogeneous Beliefs and School Choice Mechanisms." I declare that I have no relevant financial interests, financial support, or material positions that relate to the research described in this paper.

Sincerely,

A handwritten signature in black ink, appearing to read "Seth Zimmerman". The signature is fluid and cursive, with the first name "Seth" written in a larger, more prominent script than the last name "Zimmerman".

Seth Zimmerman
Assistant Professor of Economics
University of Chicago Booth School of Business
