Title: “Misperceived Social Norms: Women Working Outside the Home in Saudi Arabia”

Author: Leonardo Bursztyn

I declare that I have no relevant or material financial interests that relate to the research described in the paper.

This research received IRB approval from the University of Chicago. It was partly funded through a grant by the Harvard Kennedy School Evidence for Policy Design program and the Human Resources Development Fund of the Kingdom of Saudi Arabia.

A handwritten signature in black ink, appearing to read "Leonardo Bursztyn". The signature is fluid and cursive, with a large, sweeping flourish at the end.
