For the research described in the submitted manuscript I have received financial support from the following sources:

- The Center for Development Economics and Policy at Columbia University
- The Program for Economic Research at Columbia University
- The National Science Foundation (SES-1919139)

This research was reviewed by the Columbia University IRB and the IFMR Human Subjects Committee.

I have not received any financial support in the form of consultant fees, retainers, grants and the like from any interested party, where an “interested” party is any individual, group, or organization that has a financial, ideological, or political stake related to the article.

I do not hold and have not held any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities. A “relevant” organization is one whose policy positions, goals, or financial interests relate to the article.

No other party had the right to review the paper prior to its circulation.
