

Disclosure Statement for Daniel Herbst

Financial support for “The Impact of Income-Driven Repayment on Student Borrower Outcomes” was provided by the Princeton Industrial Relations Section, the MIT Golub Center for Finance and Policy, and the National Academy of Education Spencer Dissertation Fellowship. I have separately received financial support from the Jain Family Institute in the form of a research fellowship.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel Herbst", with a long horizontal flourish extending to the right.

Daniel Herbst
