

## Journal of Economic Perspectives Disclosure Statement

### Carbon Border Adjustments, Climate Clubs, and Subsidy Races When Climate Policies Vary Kimberly Clausing

I declare that I have no relevant or material financial interests that relate to the research described in this paper. While a version of this paper was published as PIIE and NBER work papers, the views expressed in this paper are those of the authors and do not necessarily represent the views of PIIE or NBER.

We acknowledge financial support for a research assistant from a multiyear grant from the Danish Embassy in Washington for the Peterson Institute for International Economics for research related to developing economies and climate change.

*K. L. Clausing*
