Re: "Where Does Wealth Come From?" (joint with Sandra Black, Paul Devereux, and Fanny Landaud)

To whom it may concern:

I have received financial support for this research from the Norwegian Research Council. There are no parties from whom I have had other grants, etc. in the past three years. I have no positions as officer, etc. of relevant organizations have been held by me or my close relatives, nor did any party have the right to review the paper.

Sincerely,

A handwritten signature in blue ink that reads "Kjell G. Salvanes". The signature is written in a cursive style.
