

Disclosure statement

Author name: Daniel Heyen

Manuscript title: Prediction: The long and the short of it.

I gratefully acknowledge funding from the ESRC Centre for Climate Change Economics and Policy and Grantham Foundation for the Protection of the Environment and support from the German Research Foundation (DFG), grant HE 7551/1. I have no conflict of interest to disclose.

A handwritten signature in blue ink, appearing to read 'Daniel Heyen', with a long, sweeping underline that extends to the right.

Daniel Heyen
