

Beyond my primary employment, I have no sources of financial support for the research conducted for this study. Furthermore, no party that could have an interest in the study's findings has contributed in any way or form to the study, or supported the study financially. I further hold no paid or unpaid positions in relevant organizations that are related to the study's methods and findings. These disclosures above apply to any close relative or partner of myself. I note that I grant no other party the right to review the paper prior to its circulation.
