### Disclosure Statement

*"The Impact of Financial Education on Adolescents' Intertemporal Choices"*  
Accepted at the The American Economic Journal: Economic Policy

Melanie Lührmann would like to thank the Department of Economics at Royal Holloway for generous travel funding for the field work and for research meetings in Munich. This project was conducted under IRB140988XX and benefitted from the support of internal funds of the University of Munich.

She thanks the team of My Finance Coach, Munich, for supporting the survey fieldwork. No financial support was given to the authors of this paper.

The author declares that she has no relevant or material interests that relate to the research described in this paper.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'M. Lührmann'.
