JEL Review Article Suzi C. Kerr

4 December 2014

My time in writing the review was funded by my employer, Motu Economic and Public Policy Research. Motu does not take policy positions and so is not an interested party.

Over the last three years Motu has received funding for my work (but not this specific piece of work) from a variety of sources:

Aotearoa Foundation

New Zealand Ministry of Business, Innovation and Employment

New Zealand Parliamentary Commissioner for the Environment

World Bank

OECD

Kelliher Foundation

Victoria University

The Tindall Foundation

New Zealand Ministry for Primary Industries.

None has had any ability to influence the content of my published work.
