

E-books: A Tale of Digital Disruption

Richard J. Gilbert

Disclosure Statement

I am Emeritus Professor and Professor of the Graduate School, University of California, Berkeley and Senior Consultant, CompassLexecon. I consulted for the U.S. Department of Justice in its antitrust case against Apple and five publishers. Nothing in this article relies on proprietary facts or communications in that case and officials from the Department of Justice have not reviewed the article prior to publication. I consulted for Apple in the past three years on unrelated matters. The Competition Policy Center at the University of California, Berkeley provided partial research support.
