One of the best teachers I have had in my academic life.</p> <p>* Maybe try and relate material to students more.</p> <p>* Instructo seemed very knowledgable on the <u>Macro</u> and <u>Micro-Economics</u> as well as <u>Monetary Policy</u> and The <u>Banking system here</u> in the U.S. Class could be a bit more interactive but overall was a very good count w/interesting topics.</p> <p>* He is very knowledgeable and did great.</p> <p>* Clearer preperation for exams.</p>
